Michael,

We want to thank you for the outstanding work your team did on our porch and flat roof. The craftsmanship of your carpenters/roofers was outstanding and the attention to the historical details very much appreciated. The paint work also looks fantastic and we appreciate the extra touches he did to make the porch look so wonderful!

Thank you again and please feel free to use us as a reference for potential customers. (We've already been stopped by one neighbor who you've done an estimate for and we've passed along your information to a friend as well!)
